S.P. Plastic Industry Co., Ltd.

S.P. Plastic Industry Co., LTD. was founded in 1989. The company is located in Prachauthit Road, Bangkok, Thailand.

For over 30 years, the locals have known us as “The Cobra Brand”. SPPIC is one of the leading plastic manufacturers in Thailand, specialized in engineering and manufacturing household products.

In 2014, we have a showroom space in 275,000 square feet, which is located in Rama 2 Road, Bangkok Thailand.

We focus heavily on supplying durable products to our customers. Our products are not only suitable for household use but tough enough for agriculture use and other heavy-duty tasks.

Our goal is to deliver the best possible plastic products to the end user. We are dedicated to excellence and committed to integrity. We proudly offer superior product quality and integrity.

SPPIC is also doing business in the neighboring countries (currently Australia, Cambodia, Fiji, Kmer, Laos, Malaysia, Myanmar and Papua New Guinea).
